

Aluminium innovation and convenience

PSL is the only aluminium partitioning supplier in Auckland's city centre. Open 7am to 5pm, Monday to Friday, and with the ability to deliver locally, PSL has had its products specified for some of Auckland's most innovative design projects.

In addition to our extensive series of partitioning sections and aluminium doors, we also stock a full range of sealants, adhesives, insulation, sliding gear and accessories, making us a one-stop-shop for your contracting needs.

PSL Auckland, stockists of:

- Extensive range of partitioning sections in Anodised, and Powder Coat
- Wide range of jointers and accessories
- Own range of interior Aluminium Doors and door sections in Anodised finish (full fabrication services)
- Wide range of Bostik adhesives and sealants
- Alco ladders
- Sellotape tapes
- Inseal foams
- Autex insulation
- Henderson sliding gear
- Flat Bars
- Angles
- Steel studs and tracks
